The above material list was comprised to give you an accounting for the amount of finish material that will be required to finish this frame. We have optional features available such as stall doors, grills for the front and to divide stalls, feeders, etc. which may alter this material list. This is a basic material list for the above numbered frame and is intended as a guideline for price checking only. Do not order pre-cut material from this list. This list may not include hardware, doors, trim, or foundation materials if they are necessary. If you have any questions please call 1-800-876-9721.
